Dear Registrar:

**RE: *Access to Information and Protection of Privacy Act*  
ATIPPA Complaint – Your File ATP-ADJ-2025-08-166  
Investigation Report Recommendations**

In response to your letter and the Investigation Report dated January 26, 2026, the Department of Health and Social Services accepts the recommendations as outlined in the report and commits to re-processing access request 24-701 and include any responsive records held by the Chief Medical Officer of Health. The amended response will be provided to the ATIPP Office on or before March 09, 2026.

However, the Department does not necessarily accept the legal findings or legal reasoning of the Adjudicator, and is in the process of determining, for its own purposes, the legal basis on which the CMOH is subject to ATIPPA.

Sincerely,

Matt King  
Deputy Minister
